Dear praying friends,

Haven of Hope, our children's home in Ghana, is facing a serious shortfall in construction funds at this time. Currently workers are constructing a 2nd staff and guest housing building for long term missionaries. Funding for this project has fallen off, leaving us with approximately a \$10,000 shortfall for the continuation of construction. Please pray that this important project would not be forgotten amongst all the other needs we have been communicating lately. Pray that the Lord would continue to touch hearts for this project so this project would not have to be halted. The addition of permanent housing on the property eliminates the need for hotels or other housing for staff and missionaries. Lorella will leave for Ghana on May 25th and John, Whitney and several summer team members will leave on May 28th and these funds would go with the team leaders when they go, thus assuring continuing construction through the summer and fall and the elimination of bank transfer fees that will give ECM more funds going directly into construction. God bless each of you for lifting us up in prayer.

Prayer Request: My husband, Kevin, who is a born again Christian running from a ministry calling on his life, has left me and moved in with a unsaved woman, who is also married to a Christian man. This woman, Christy (she has same first name as me), came to our door last June & asked my husband to have an affair. He did, confessed & repented & asked me stay with him, I forgave as the Lord told me to, & now he has moved out with her as of 12-19, destroying two families. She is pushing him to file for divorce against me & marry her. She is also an alcoholic, drug involvement, many men. Satan has my husband captive, and he is running from a music ministry as well, so one reason all this is going on, why the enemy wants him so badly. Please pray for deliverance of my husband, restoration of him with Christ rooting him deeply with the anointing of the Holy Spirit, restoration of our marriage, healing of our hearts, and the marriage of this other woman/couple, Craig & Christy, and Christy to come to know the Lord so she will be a proper wife to her husband from now on. God has shown me that she is the woman of Proverbs chapter 7. I have been praying these scriptures over this need as the Lord led me to do. Proverbs 2:11-18; Proverbs 5:1-23; Proverbs 6:20-29; Proverbs 6:30-35 Proverbs 7:21-27; Hosea 2: 6-17; Hosea 3:1-3; Thank you, I need your help in prayer and appreciate it greatly. Roscoe,

It was good talking with you tonight. Here is the link for our friend who is fighting for her life against cancer <http://deb.silverhelix.com>

Her name is Deb. She is a believer. Her husband died from cancer a few years ago. Within a year, she got breast cancer and went through all the treatments. It came back last Fall and she's in a huge fight for her life since then. she is in the hospital more than home. She has 2 young children: Jacob age 7 and Abbey, age 4. They are very scared about losing another parent. They know that if Deb dies, they will move out of state to live with an Aunt and Uncle.

The site is updated daily and there is a place for people to leave comments. They are her main source of encouragement from other people.

Please have your people pray for them and send encouraging messages.

God Bless,

ECMSEA CONTAINER ON ITS WAY TO AFRICA

The sea container for which we have been collecting items for many months now, has been loaded and is on its way to Ghana, West Africa. It first gets trucked to Chicago, then it will be railed to the east coast, and finally put on a ship for its final destination. THANK YOU to all of you who have participated in this undertaking - with prayer, funding, donating items, packing boxes here in the office, and finally with the loading of the container itself.

Please be in prayer that the sea container will arrive safely in Ghana, and that it will arrive at the end of June, when John & Lorella can devote their time & attention to the distribution of the loaded items. Pray that the container will clear customs without incident, and that there will be no unexpected costs incurred or problems experienced.

We appreciate every one of you!
