I have been married for four years to my husband who is an ordained minister. He rarely worked during our marriage and left all responsibility on me. We have twin 10 months girls who he has seen but once after they were born. He had left me prior to knowing I was expecting. He does not support them in any way, and I do not know where he even lives. We had many problems due to his drug use, internet affairs, and simply not being the man of the house he needed to be. He has met many women on the internet, I would say "conned them", and has resided with a few of them since our separation. Has lived in Canada, New York Pennsylvania, just to name a few. It seems, to me anyway, he basically looks for women to support him. I have spoken with a few of these women he has lived with and they got rid of him shortly after getting to know him. He has lied to them, maybe for pity sake, about me. I always went above and beyond my duties as a wife, as I briefly explained earlier. He has told people I am very mean to him etc. All are lies that he says about me. That of course is something I have dealt with, laid at the foot of the cross and moved on from. These women, who are 'Christian' are easily deceived, as I was, as I believe are the people of the churches he preaches at and

ministers to. I had read, while we were together a few of his yearly reports filled out to the ministry he is ordained under. I believe these are required to have his ordination updated. They have been filled with lies. Lies pertaining to having a church, holding bible studies etc. I become so upset with his 'deceitful' living, especially as he does not take any initiative to support his girls. I struggle everyday with whether or not I should bring these facts to the attention of the ministry he is ordained under or leave it in Gods hands. Please pray over this and let me know what your feelings are in this kind of situation. Thank you and God bless "Cindy" 4/16/2005

#### Joeri van der Schans Prayer Request:

I am a boy 21 yr old, born in the Holy Spirit like 2 knit fingers close to God. (although revelations from others and memory state that I never saw Gods Kingdom, I only felt it, so I truly lived on faith) I knew what my mission was then. But at age 8 or 9, Gods power/protection, left me, for some reason, (not my own sin) and suddenly i was left alone, a child before satan and a powerful witch (for a witch) my mom, and I got lift up on thought power, (witchcraft is so real, God has different history books than we) and i remember being beaten against the walls. i dont remember much. I also remember that in I was to a place filled with fire. I got burned alive. however magic can make a black skin look like its healthy. ive been walking on scorched feet for 13 years now. Some people with spiritual vision, of whom i knew were childhood friends, actually said that I, a white person, was black. I am also blackskinned in some of my dreams. scorched black. I remember falling down hanging above those stairs with inmense fear in my heart and alot of pain. I eclipsed. From a child made of glory, light, love, happiness, joy, faith, power, innocence, sight and amazing senses, and

all else that is good, i became trapped in a closet of darkness, FEAR, sadeness, false guilt, spirit of pride, powerlessness, blindness, deafness and every kind of pain. and I got numbed. i do not feel my own pain. when i focus on God, my consciousness gets brighter and i feel the pain-but also Gods spirit. the more people pray the fasting ill heal. So please pray for me, as the Holy Spirit wishes, let all these lies satan put into me get out of me, replace it with truth.I want to realise my own power with every cell of my body. And Gods power. Help me to heal myself and ignore jeanne, my supposed mother. Give me faith hope love courage truth fearlessness healing humility and whatever the holy spirit tells you. Please think of me daily. Guide me on the right path. I do not sound so urgent as it is. ps im male Different people had visions about me. some saw I got burned and severe abused,another saw how my mother summoned enough demons for 8 years to curse me, and that person saw black rays of dark energy coming out of my mother. destroying everything in different ways. by what she says moves everything! and they saw she has like a kind of psychic clairvoyance, only for the evil part of the universe please help me. also, I need to get rebaptised.I remember that the baptism in the spirit was made undone by my mother 3/20/2005.

Pray for Terry to be encouraged regarding the relationships in his life. Ask God to bring joy in Terry's heart and a zest to live for God 3/5/2005
